

Vacancy – Asbestos Trainer/ Consultant

Santia are seeking an experienced Asbestos Trainer/Consultant to join our award-winning training team. The successful candidate will be responsible for delivering UKATA, BOHS and client bespoke asbestos training courses across the UK but with a focus on London and the surrounding areas.

Key Responsibilities

- Delivery of BOHS, UKATA and bespoke training courses to Santia clients and internal delegates
- Development of existing and new courses
- Develop and grow the Santia relationship with clients
- Actively promote and sell the Santia portfolio, working closely with BDMs to establish opportunities
- Collate and store all relevant course information and issue certificates within set KIPs
- Liaising with the Operations Director and Training Manager
- Attending quarterly training meetings

The Ideal Candidate

- BOHS P402 and P405 qualified – additional qualifications are advantageous
- Demonstrated Experience working as an asbestos trainer delivering UKATA and BOHS training courses
- Full understanding of current legislation
- Experience working as an asbestos consultant is desirable
- A flexible approach to working hours as evening and weekend work may be required along with occasional overnight stays
- Exceptional organisational skills
- A 'can do' attitude
- Full UK driving license

Rewards for your hard work

- Competitive rate of pay
- Training and development
- Company vehicle
- Medical cover

- Pension
- Uniform
- Additional holidays awarded for long service
- Employee Recognition Scheme
- Ability to work from home when not delivering training

If you would like to join a fast growing and ambitious organisation and believe you have the skills and attributes we are looking for, please apply with a CV and covering letter for consideration:
